SUBJECT - Grant of Interim Relief to the Non-Gazetted Staff of the Corporation similar to the scale granted to Gazetted and non-Gazetted Staff of the Government Departments sanctioned by Government in their Order No.Fl (B).10291-10390/Bud 95-56-1, dated 17th October, 1956.

In forwarding herewith a copy of the resolution of the Corporation passed at their meeting held on 26th October 1956 on the above subject, I write to state as follows -

1) Government in their Order No Fl.(B)10291-10390/Bud 95-56-1 dated 17th October 1956 have sanctioned an immediate interim relief in the form of Special Allowance to Gazetted and Non-Gazetted Staff drawing a pay not exceeding Rs 300/- p m , with effect from 1-8-1956 subject to the minimum of Rs 5/- p m , and a maximum of Rs 20/- per month, subject to several limitations and concessions contained in the above Government Order, and that Government have also directed the Heads of Departments to arrange for drawing and disbursing the Interim Relief - (including arrears) as early as possible before 1st November 1956 and that the expenditure on this account may be met out of the sanctioned grants of the respective Departments and debitable to the Sub-Heads, Pay of Establishment etc The extra expenditure in this behalf will amount to Rs 2,03,000/- for the - remaining seven months of the current year and the Corporation have sanctioned the re-appropriation of this amount from the

p t o

sanctioned allotment of Rs.20 lakhs provided under "C. Water Supply and Maintenance" during the current year's sanctioned budget, subject to restoring the allotment under Water Supply in the Revised Budget if found necessary, since the savings expected under the several Establishment charges will not be sufficient nor is definitely ascertainable now.

2) As there is no mention in the above Government Order regarding the application of this interim relief to the Corporation Employees, the subject was placed before the Standing Committee (Accounts) at their meeting held on 22-10-1956, who have approved of the grant of interim relief to the Corporation Employees on the same scale as is sanctioned in the above Government Order and they have also approved of re-appropriation of funds for this purpose. The extra expenditure to be incurred by the Corporation on this score would be Rs.2,03,000/- for the remaining months of the current year (from 1-8-1956 to 31-3-1957). The above recommendation of the Standing Committee (Taxation and Finance) dated 20-10-1956 has also been approved by the Corporation in their meeting held on 26-10-1956 to grant Interim Relief to their employees A Statement is herewith enclosed showing the details of extra expenditure involved in this behalf.

3) Such of the menial staff as are not governed by the provisions of M.S.R., with regard to grant of pension etc., like Sweepers, and Scavengers, will not come under the purview of the above Government Order But the Corporation have thought it fit to grant them interim relief as they constitute a majority of essential staff and if they are denied, it would lead to much agitation in this regard. An extra sum of Rs.15,011/- per month will have to be incurred, if all the Sweepers and Scavengers of the Health Department have to be given this relief Therefore, their cases are also considered and included in the above statement.

contd. .

4) There are some cases, wherein the Gangmen of the Engineering Staff have been entertained on fixed pay and such cases have also been ~~deleted~~ included

5) Some of the temporary staff entertained for more than one year have also been included as per the terms of the - Government Order for the grant of Interim Relief

6) This Special Pay will have to be absorbed when the several Officers and officials are to be finally allocated in the revised scales of pay to be evolved by the New State of Mysore and this aspect of this question has also been considered and the extra cost has been worked ~~xx~~ out as per the actuals taking the pay of July 1956 paid on 1-8-1956 as the basis, as contemplated in the Government Order

7) In these circumstances, I request you kindly to obtain sanction of Government to the Corporation Resolution Pending final sanction of Government, the Corporation Auditor has been requested to admit the Bills provisionally before 1st November, 1956 and this may also be approved

Yours faithfully,

That you are aware that long ago the ~~xxx~~ interim relief to the menials was sanctioned by the Council and was approved by the Government of Mysore The payment has been postponed unnecessarily and uncalled for delay is ensued and now it is learnt that the file has been referred for further clarification to the Government, only in respect of menials whereas the interim pay of the servants governed under M S R , are drawn and paid This had upset the workers and that they have decided to go on Strike as a token of protest on 7-1-1957 if their interim pay is not disbursed on or before 5th January 1957 Please note and avert th crisis which is possible and could be done if you only make up your mind
